

The Captain Warranty Information

MEMPHIS POOL extends and enhances the standards of the original manufacturer's warranty, since pool cover

warranties are, as a standard, heavily pro-rated by manufacturers. Therefore, we fully warrant this cover to be free of defects of workmanship for one year. In addition, we follow the manufacturers limited 8-year warranty from the date of purchase on a pro-rated basis based upon the current selling price of the product. Any replacement cover maintains the original date of purchase for warranty calculation. Should the cover prove defective, you shall receive a like-product replacement and pay the following charges, if applicable:

1st Season	No charge
2nd-3rd Season	60% of cover price
4th-6th Season	80% of cover price
7th-8th Season	90% of cover price

Warranty covers the seams and large tears of the cover material. Small and pin-sized holes that allow water to weep through are not covered under this warranty. Damage due to deck abrasion, sharp objects, or loose/lost grommets is not covered under this warranty. The manufacturer and MEMPHIS POOL acknowledge that this cover's life will not likely be 8 years due to normal wear and tear.

We fully support this warranty stated above. To make any claim towards this warranty, please do the following:

1. Dry and neatly fold the cover with a defective area showing.
2. Return cover to any MEMPHIS POOL retail location.
3. Provide us with the original sales slip and copy of this warranty information.
